The Volunteer desires to participate and work in Habitat's home building program, and the activities related to the work. The Volunteer understands that the activities may include constructing and rehabilitating residential buildings, being transported to and from work locations, and consuming food and using living accommodations donated for the work.

The Volunteer does hereby freely, voluntarily, and without duress execute this Release under the following terms:

- 1. Waiver and Release.** The Volunteer does hereby release and forever discharge and hold harmless Habitat and its successors and assigns from any and all liability, claims, and demands of whatever kind or nature, either in law or in equity, which arise or may hereafter arise from Volunteer's participation in Habitat's home building program.

- 3. Assumption of the Risk.** The Volunteer understands that construction may include activities that may be hazardous to the Volunteer and that the food, accommodations, and medical facilities may be donated to Habitat and beyond the control of Habitat.

The Volunteer hereby expressly and specifically assumes the risk of injury or harm in these activities and releases Habitat from all liability for injury, illness, death, or property damage resulting from the activities of the Volunteer's participation in Habitat's home building program.

- 4. Insurance.** *Each Volunteer is expected and encouraged to arrive with medical or health insurance coverage in effect.*
- 5. Photographic Release.** The Volunteer does hereby grant and convey unto Habitat all right, title, and interest in any and all photographic images and video or audio recordings made by Habitat during Habitat's home building program, including, but not limited to, any royalties, proceeds, or other benefits derived from such photographs or recordings.
