ED Edict

from Paul Warriner, Executive Director

This year's summer blitz of three houses exceeds the annual output of most affiliates in the United States (only a couple dozen out of 1,700 do 25 or more) so there is no need to apologize to the three grateful and deserving families who are working very hard alongside many of you so they can achieve the blessing and dream of homeownership. We are not building "only" three houses. We are building three houses!!!

Partly cloudy today.
High 84.
10% chance of rain, so...
Don't forget the sunscreen!

Coming soon. . . Our first house in Chesaning!

House #144, 900-block E. Liberty

Groundbreaking: June 30

Wall-raising: August 10

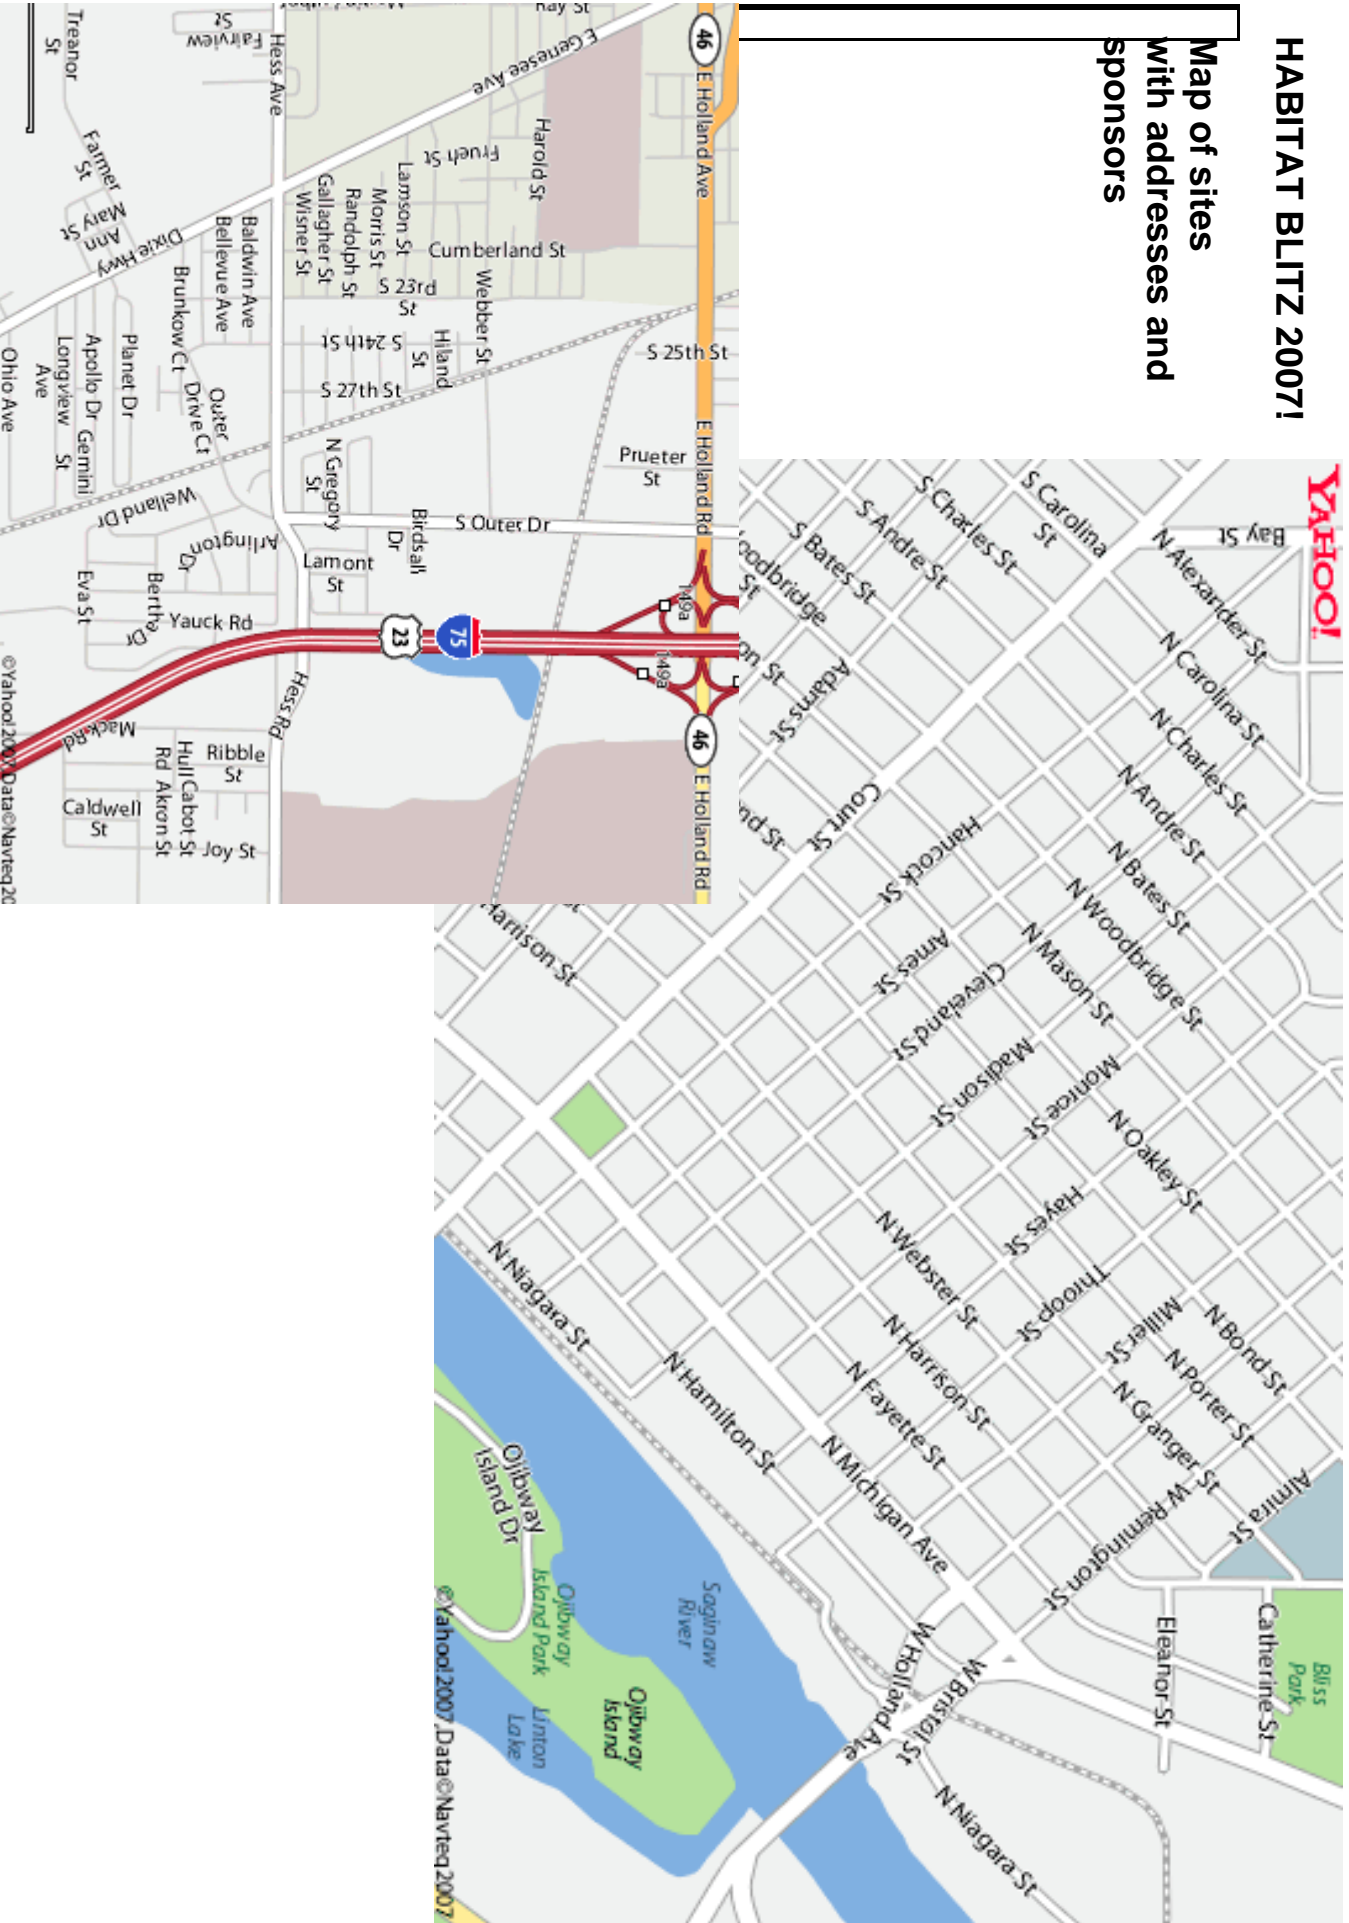

—built by Chesaning-area friends and United Methodist Churches

Thought for the Day:

Matthew 25:40—The King will reply, "I will tell you the truth, whatever you did for the least of these brothers of mine, you did for me."
